SECRET FILES & ORIGINS

TWO-FACE

REAL NAME: Harvey Dent **HEIGHT:** 45 mm
EYES: Black **HAIR:** Black/White
FIRST APPEARANCE: LEGO Batman Set #7781, April 2006

DESCRIPTION: Crime boss whose deadly decisions are made with the flip of a coin.

ORIGIN: District Attorney **Harvey Dent** helped send many gangsters to jail. But when a vengeful criminal threw acid at him, badly scarring one side of his face, he was driven mad and started a life of crime as "Two-Face." Despite many attempts to reconstruct his fractured mind, he remains one of Batman's most dangerous foes.

METHOD: Two-Face's crimes are all inspired by the number two, from robbing the brick vault at the Second National Bank to dismantling half the stadium at a doubleheader baseball game. He always carries a two-headed coin and flips it to make every decision. If the clean side comes up, he shows mercy, but if the scarred side wins, he'll take apart anything - or anyone - that gets in his way!

EQUIPMENT: Two-Face has had his henchmen build an armored van disguised as a bank truck. Equipped with hidden fold-out weapons, it may even be a match for the **Batmobile**!

STATUS: Two-Face is on the run, having escaped from **Arkham Asylum** along with many of Batman's other enemies. The **Dark Knight** is believed to be in close pursuit.
